Rüschtikon, 1 March 2018

## **Invitation to the 43<sup>rd</sup> Annual General Meeting of the EvR**

Dear families and members

Please join us for the upcoming AGM of the Rüschtikon Parents' Association on

**Thursday, 28 March 2018, starting at 19:30**  
at the Nidelbad guest house, Eggrainweg 3, Rüschtikon

The members of the board will provide information about member development, budget numbers as well as interesting facts and news from the past year. Loyal helpers can also look forward to a small gift and the annual report will be available hot off the press. Presentations will be done in High German but we are happy to answer questions in English.

After the official part - which takes about one hour - we will stay for an informal get-together with snacks and drinks. Please feel free to stay and chat with anyone involved in the Parents' Association if you want to give feedback, comment on our activities or if you are generally interested in the offerings of the EvR. We look forward to seeing you there!
